Seminal Weakness. Seminal Weakness.

Seminal emission is consequence of abuse. This solitar, vice, or deprayed sexu indulgence, is practiced by the youth of both sexes to an almost untimited extent, producing with unerring certainty the following train of morbid symptoms, unless combatted by scientific medical measures, viz: Sallow countenance, dark spots under the eyes, pain in the head, ringing in the ears, noise like the rustling of leaves or rattling of chariots, uneastness about the loins, weakness of the limbs, confused vision, blunted intellect, loss of confidence, diffidence in approaching strangers, a dislike to form new acquaintances, a disposition to shun society, loss of memory, pimples and various eruptions about the face, heetic fushes, furred tongue, foctid breath, coughs, consumption, night sweats,

about the face, hectic flushes, furred tongue, fortid breath, coughs, consumption, night sweats, monomanis and frequently insanity. If relief be not obtained, you should apply immediately, either in person or by letter, and have a cure effected by his new and scientific mode of treating disease, which never falls of effecting a quick and radical cure. Cured at Home Cured at Home.

Persons at a distance may be CURED AT HOME, by addressing a letter to Dr. Gibbon, stating case, symptoms, length of time the distance has continued, and have medicine premptly forwarded, free from damage and curiosity, in any part of the country, with full and plain directions for use.
